Clean Air Challenge

Keep this personal Clean Air Challenge diary for a day or a week and return promptly.
Please record kilometres per person using transportation alternatives to the single occupancy car for the week of
May 29 to June 4, 1999.

Bicycling and Inline Skating with Safety and Comfort

Wear A Helmet ... Helmets save lives and prevent serious injuries. While other injuries can heal, a head injury can lead to disability or death.

Send your diary to:

Thames Region Ecological Association
1017 Western Road London, ON N6G 1G5
Phone: 645 2845 Fax: 645 0981
Good luck on your clean air challenge.
